

# REACHING THE NEXT GENERATION – ENSURING THE FUTURE OF YOUR ORGANIZATION

## Navigating through Change: Non-Profit Leadership Series

The future success of your organization depends upon your ability to court the under-35 crowd. You'll need them as volunteers and donors in the years to come. Trends indicate that this demographic does not intuitively embrace the "give back" mindset of their parents. Join us for an informative and suggestion-packed presentation from professionals who work with this age group every day and who know how it's done.
